## Certification

### CERTIFICATION OF PARTICIPATION

I hold a CERTIFICATION OF PARTICIPATION from SkillEcted, issued in MAY 2025. This certificate validates my engagement in professional development, demonstrating my commitment to continuous learning and reinforcing skills acquired through diverse experiences.

### CERTIFICATE OF PARTICIPATION

I obtained the CERTIFICATE OF PARTICIPATION from Pantech AI in March 2025, which enhanced my collaborative skills and provided insights into AI ethics. This certification complements my education by demonstrating my commitment to staying current with industry trends.

### CERTIFICATE OF COMPLETION

I completed the Certificate of Completion from Wadhwani Foundation in November 2023, strengthening my entrepreneurial skills. This program has enhanced my business acumen and strategic planning abilities, directly supporting my career objectives in the startup ecosystem, complementing my existing skills.

### CERTIFICATE OF APPRECIATION

I received the Certificate of Appreciation from TCS in December 2024, recognizing my contributions and commitment to project success. This award reflects my dedication to teamwork and effective problem-solving within complex project environments, further supporting my skills developed throughout my work experience.

### COURSE COMPLETION CERTIFICATE

I completed the Course Completion Certificate at Naresh I Technologies, Hyderabad, enhancing my technical skills. This certification, issued in October 2023, complements my foundational education and demonstrates my commitment to continuous learning. It showcases my proficiency in relevant areas, adding value to my professional profile.

## Skills

- HTML
- CSS
- Javascript
- React.js
- Git

## Projects

### SHOPPINGKART APP

📅 Apr 2024 – Jun 2024

I create the website of a real-time Shoppingkart website using API with my own local disk. I designed the UI/UX and implemented the using html,css and javascript. Successfully created a responsive website with my knowledge.

### IPL LIVESCORE

📅 May 2025 – May 2025

I create the website of a real-time IPL live score or all cricket score board website using API with my own local disk. I designed the UI/UX and implemented the using react.js and tailwind css. Successfully created a responsive website with my knowledge.

## Achievements

### Second Prize In Quizz Competition In School

Achieved second prize in quiz competitions, showcasing strong analytical and knowledge retention skills across diverse subjects. This demonstrates a commitment to continuous learning and the ability to perform under pressure, qualities valuable in any professional setting.
